I. **STATUS**

4 Chelan County and the Chelan County Sheriff's Officers' Guild have not  
5 yet completed arbitration in this matter. With regard to the arbitration, both  
6 parties are represented by other counsel, not involved in this case, and the exact  
7 status of the arbitration in that matter is not currently known. In the interim,  
8 Counsel for the parties on this case have discussed the possibility of a mediation  
9 in attempt to come to a "global" resolution of both the Guild arbitration matter  
10 and the instant case. Counsel have been, as yet, unable to agree on various  
11 aspects of any such proposed mediation, and none is currently scheduled.  
12 Counsel and the parties continue to work toward those ends, however, it  
13 remains a possibility that the Guild matter arbitration will go forward, after  
14 which the parties would request that this Court lift the stay in the instant case.
